ITINERARY

The 1st day

Your guide fetches you from Rovaniemi Airport or railway station. You may visit the safari office first for getting more information about the package and receiving the adventure gear for your stay.

The 2nd day

Kätkävaara nature path. Guided hike to the summit of Kätkävaara fell, where you will find one of the most impressive sights in Lapland. Admire the scenery, 2 – 10 kilometres hike depending on the participants and conditions. A light lunch will be provided in a log tepee. After this nice day please try a Finnish sauna at your hotel in the evening.

The 3rd day

A day in the wilderness. Our wilderness program takes you out to the most beautiful nature for spotting reindeers, eagles, hiking and barbequing. Lunch by campfire.

The 4th day

Canoe paddling day. The canoe safari is arranged on the biggest river in Finland – river Kemijoki. We paddle on sturdy canoes life jackets on. See a huge river by a safe and silent way. Light lunch on the way by open fire.

The 5th day

Martimoaapa bog nature reservation. Today we drive to Martimoaapa that is one the biggest swamps in Finland. Good chances to see wild animals and birds. Fishing at the wilderness lake. Lunch by open fire in the wilds.

The 6th day

Quadbike safari in the wilds. Today you see more arctic wilderness and may drive a quad across the wilds. If you prefer you may sit on a quad trailer comfortably. Impressive wild river on the way, fishing in the river. Lunch by open fire.

The 7th day

Visit a reindeer farm and Santa Claus Village. We make our way to visit a reindeer farm. You will get a brief introduction to reindeer herding in Lapland. Crossing the Arctic Circle in Santa's village and meeting Santa himself. Shopping and sending cards in Santa's Post Office. Light lunch is provided during the day.

The 8th day

Transfer to the airport. Good bye Lapland!
